

# A New Church For A New World: A Fresh Expressions Vision Day

## What is Fresh Expressions?

As someone once said ... “if you have a new world – you need a new church”. Fresh Expressions is a movement that is cultivating new kinds of church alongside existing congregations, in order to reach our new world. Begun in England 8 years ago, it has resulted in the birth of 3,000 new communities in the UK alone. Fresh Expressions has spread to Australia, Canada, New Zealand, and is now taking shape in the US.

At its heart, Fresh Expressions is about empowering and equipping God’s people to develop creative expressions of church that can reach the increasing diversity of our society.
